UNAPPROVED MINUTES

Present: Dale Berry, Angie Berry, Dean Dryer, Dave Price, Mike Hutto, Justine Faylor, Cody Lechowicz Rick Geiger, Wayne Peterson, and Dave Tallon

Minutes from September were read and approved all in favor.

Newsletter is done, Justine doctored it up and it looks really good

Tractor GPS update – Justine has all units and will meet at the Pellston barn first then go to the Harbor Barn. Angie will also be at Pellston Barn.

Mudd Brothers ORV Group – Repaired a few trails but sounds like they are not talking with the right people, to get jobs done, they are willing to pay to help fix trails.

Luke is willing to help again and mentioned that it may be less expensive if we have him/someone go out a couple of times to fix instead of major fixes we could catch them before they get bad, costing less time to fix.

Blue Ford Tractor – Supposedly in shop with a “High Priority” which has been the response for the last several calls. Has not test drove with new steering column.

Wash out north of Ayr to Tower Rd.

Is there any way to find out who is logging in the area? Hoffmans to Big Pine and Moosejaw

Brush Cleaning is 10/22/22 meet back at barn around 4 for some vittles as appreciation to those that helped.

All dates confirmed for Rides and Pizza Dinner

Brushing with tractor there is no date set at this time.

Decka revising membership cards

Map ads – A lot of yes to repeat same ads as last year, Justine to meet with Chris at MJJ to discuss ad in person.

Building addition – Builders First Source brough cost down to approximately \$18,700.00. Ask Ryan Johnson if he would be willing/interested in helping with blueprints for addition to existing barn.

Culvert will be replaced between New Hope Church and Van Rd on Highway starting in November, Waiting for AT&T to move line.

Talked with Robbie Trudell about putting up fence to help protect trees and keep people from going up his drive.

County Wide Sports is now open at the Petoskey Location.

Dave Tallon is in talk with Paula for contact of new owner’s name for permission for trial to cross property.

There is also a program to get funds to lease properties with a recorded easement from Dec 1 to April 1.

Hall for Safari – Contact Linda Bailey for hall rental.

Blumke was out and did Moore Rd and N Conway to Stutz, Need to see if we can get them to go out again and contact Dave Price, he will mark the ones we want done.

Those interested in going to the Groomer workshop let Angie know so we can get the info To be early March

Recommended to get a log book for each tractor. When work is done no matter what, mark it in log book. If routine maintenance stuff, or a missing screw (ANYTHING).

To keep all 3 tractors, we need to keep the trails, State requires approximately 100 miles for 3 machines.

Order signs by beginning of year.

Talk to Spierling’s about dirt pile in Pellston.
